## Products

### Chromed Fan Motor Covers & Polished Aluminum Fan Motor Covers - Mk III

Dress up the stock fan motors with the brilliantly chromed fan motor covers. The covers are made from thin wall precision spun 5052 aluminum, buffed to a luster, then true-chrome plated. Polished aluminum also available. The covers are manufactured in the same Milwaukee factory that does chrome accessories for Harley-Davidson. Easy installation. Price is per pair and includes USA shipping. In stock.

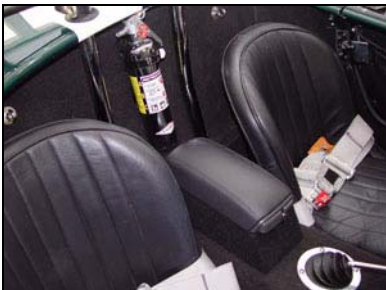

### Knee Pad – Mk III

The knee pad mounts on the door hinge and serves as a padded knee brace – very useful for track events and cruising both. No more bruised knee. Also useful for the passenger as well. No tools are required for installation and no modifications are required to your car. It is easily and securely attached via Velcro and a safety strap. The knee pads are hand made by a noted custom automobile upholsterer. Price is each and includes USA shipping.

### Jordan Shifter - Mk III and Coupe

The **Jordan Shifter** is designed and crafted from solid 5/8" stainless steel billet as a bolt on replacement for the stock shift lever. It is an improvement over the 1960's style original in comfort, speed, and precision. The Jordan Shifter is designed for the more natural "palm vertical" grip and eliminates the "T", which jabs the palm on quick shifts. The Jordan Shifters include a black Standard Shift Knob. Custom Knobs include a polished stainless steel ball and the awesome Silver Bullet polished aluminum version of the Standard Knob. Hurst Classic knobs are also available. See the **Second Strike Store** for details. Price is each including USA shipping. Made to order.

### The Mk III Console

This high quality console blends perfectly with the MK III interior.

**Console Standard Features:** Padded black leather armrest, hinged lid with internal storage, carpeted to match Mk III interior, retractable two position cup holder, rugged construction from 1/2" stock. Simple installation with instructions included.

**Console Options:** Key Lock, Console Mounted Pre-Amp, Flush Mount Speaker Boxes. Price includes USA shipping. See the **Second Strike Store** for details.

## Mk III Drivetrain Specifications Handbook

This is another "must have" for every Superformance Mk III owner!! A full 86 pages packed with valuable information about Superformance Mk III engines, transmissions, and rear ends!!

Along with the Superformance Mk III Owners Manual, the Drivetrain Specifications Handbook is a valuable reference for all who own, build, sell, work on, or provide technical assistance for the Superformance Mk III. The Handbook will assist Superformance Mk III owners identify and quantify their drivetrain components, answering the two of the most frequent questions from owners, "What kind of engine (or transmission or rear end) do I have in my car?" and then "What are the specs?"

The Drivetrain Specifications Handbook is the most complete and comprehensive compilation anywhere of the Superformance Mk III drivetrain components - engines, transmissions, and rear ends. The 86 page Handbook covers drivetrain components from the introduction of the first production Mk III in 1995 to the present. It emphasizes all components historically favored by Superformance Owners. Much of the detailed information included is no longer available anywhere else.

## Artwork

Turn 2 Group Shot ..... Jerry Miller (SP 1345)

A striking image taken on Turn 2 at Lowe's Motor Speedway. The rainbow of colors of the 70 Superformance cars carries through to the Turn 2 stands.

And we have the striking watercolor "Snake in the Grass" by noted automotive artist Dan McCrary depicting two Superformance Mk III's at a car show.

Both are full color and available in standard and full sizes.
